

## FILLER PANELS

Filler Panels are available in two heights to correspond with the two available heights of standard Base Cabinets and provide a smooth filler between the cabinet and wall. Each Filler Panel is finished in the same manner as the Base Cabinets.

**WFP-1500** (Bench Height, 35 1/2" high x variable width)

**WFP-1000** (Desk Height, 28" high x variable width)
